

A photograph of three children, two boys and one girl, sitting at a table and looking at a tablet together. They are all smiling and appear to be engaged in a learning activity. The girl on the left is wearing a blue shirt and has her hand on her chin. The boy in the middle is wearing a yellow and grey striped shirt. The boy on the right is wearing a blue shirt and is holding the tablet. The background is a bright, out-of-focus classroom or study area.
